
Build Homes In Armenia With The Fuller Center For Housing Global Builders Program

Advocate, MA - 13/6/2008

There is great demand for safe affordable homes. You can help!

Join a Global Builders team and enjoy the richness of Armenia and its generous people in a remarkable way - by working side by side with them. Travel the back roads of Armenia instead of the well beaten tourist path. Learn about Armenia's captivating history and culture while helping a needy family achieve their lifelong dream of a healthy home. You will come away with more than you gave, with more than you ever hoped to receive.

Dates of available Global Builders trips July 13- 26 August 2-15 October 5-19

Team leaders are experienced in this type of mission trip and have traveled regularly to Armenia to build homes since 2003. Costs are expected to be approximately \$1600-1900, not including airfare. No construction experience is needed. For more information, or to register for a team, contact Volunteer@FullerCenterArmenia.org Change the world one home, one family at a time.

The Fuller Center for Housing-Armenia is a covenant partner of The Fuller Center for Housing organization based in Americus, Georgia. It is a nonprofit organization that supports community development in Armenia by assisting in building and renovating simple, decent and affordable homes. This newest addition to the Fuller Center family, joined them on May 2 of this year.

The Fuller Center for Housing International is a nonprofit, ecumenical Christian housing ministry. FCH seeks to eliminate poverty housing and homelessness from the world, and to make decent shelter a matter of conscience and action. The Fuller Center was founded by Habitat for Humanity founder, Millard Fuller.

Through volunteer labor and donations of money and materials, The Fuller Center builds and rehabilitates simple, decent houses with the help of the homeowner (partner) families. These houses are sold to partner families at no profit, financed with affordable, no-interest loans. The homeowners' monthly mortgage payments are used to build still more Fuller Center houses.

The Fuller Center does not offer a giveaway program. In addition to the monthly mortgage payments, homeowners invest hundreds of hours of their own labor -- sweat equity -- into building their Fuller Center for Housing home and the homes of others. Please visit the Fuller Center for Housing websites at www.FullerCenter.org or www.FullerCenterArmenia.org to learn more about these programs or to volunteer.
