
Public Council Formed

Hayots Ashkhar Daily - 14/6/2008

Attaching importance to the necessity of promoting social, political dialogue in the Republic of Armenia, President Serge Sargsyan signed a decree yesterday regarding the formation of the Public Council.

The Public Council has the status of a consultative body.

A committee has been set up aimed at the coordination of the formation activities of the Public Council.

The committee must:

Form working groups, by the participation of the representatives of the pro-oppositional and pro-governmental political forces and the civil society

Taking into account the existing approaches to submit proposals to the country's President regarding the staff and the regulations of the Public Council.

Adviser to the President Garnik Isagulyan and Assistant to the President Sevak Lalayan have been commissioned with ensuring the regular activity of the committee.
