# HayPost Officially Becomes Member Of PostEurop

ArmInfo - 17/1/2008

---

During the PostEurop Plenary Assembly which took place on January 16-17, in Krakow, Poland, members of PostEurop elected HayPost as their 45th member, and its first member from the South Caucasus, HayPost told ArmInfo.

As part of its objectives of building HayPost into a world-leading postal and financial service company, HayPost formally signed and accepted its membership to PostEurop during the Assembly. "This is truly an honor and a step forward for HayPost to be part of the PostEurop group. Being part of this network will help place HayPost and Armenia on the European map by ensuring cooperation and innovation, as well as operational quality and efficiency," stated Lara Tcholakian, Deputy Director General for International Relations during the Plenary.

PostEurop is the Association of now 44 European public postal operators and was created to optimize postal operations and postal services in Europe, and foster greater cooperation between its Members. It is working towards representing the entire European postal industry.

As official national postal representative of PostEurop, HayPost will have its interests represented by PostEurop by influencing and following-up on regulatory, social, operational and market development which have or may have an impact on the European postal Sector. HayPost's programs in the field of quality of service and postal operations will be improved by the support of PostEurop through lobbies to the European and international policy-makers, seminars, workshops, and technical assistances.
