"150 Azerbaijani servicemen have been sent to the United States so far and various trainings have been arranged directly for 170 Azerbaijani servicemen in Azerbaijan"

The due announcement was made by Jonathan Henick, chief of PR Department of the US Embassy to Azerbaijan at a press conference today.

"The military programs, implemented between Azerbaijan and the United States, are of special importance", said he.

According to Henick, 3 military centers of the United States are cooperating with the Armed Forces of Azerbaijan for conduction of various programs.

"The talks between Azerbaijan and the United States in the military sector will further continue".
